

Please use the information on the left side only to match the item and produce the sticker/carton, don't print it on the sticker/carton!

Use the string given in the line 'barcode' to produce the EAN barcode using the font 'CODE-EAN' (we can send it to you).

Please use the framed content as a sticker on every single item! For very small items you can leave out the item name.

In case of outer carton please leave out the barcode and mention the quantity included instead.
